

PATHOLOGY HORIZONS 2021

Friday 10th September 2021 | 09.15- 18:00 BST

Free CPD Accredited Conference

VIRTUAL CONFERENCE

AGENDA

Friday 10th September

TIME	TITLE	SPEAKER
09:15	Welcome & Conference Introduction	Dr. Hugh Cormican, Cirdan
09:30	PathLAKE and the emerging role of artificial intelligence in cellular pathology	Prof. David Snead, PathLAKE
10:00	Advanced Clinical Practice for scientists in Histopathology: developing your workforce to meet service need and deliver professional growth	Dr. Jo Horne, University Hospital Southampton NHS, England
10.30	The advantages of combining healthcare data sets with digital pathology	Prof. Simon Ball, HDR UK
11.00	Q&A/ Panel Session	Chaired by Maurice Laughrey
11.30	Morning Coffee Break	
11:45	Data, a small word with a big meaning - a personal perspective	Margaret Grayson MBE, HDR UK

12:15	Data Driven AI Talk	Jonathan Armstrong, AI Research Engineer, Cirdan Ltd
12:45	Q&A/Panel Session	Chaired by Clinton Boyd
13:00	Delegate Lunch / Speaker Networking Lunch	
14:00	The Digital Biomarker Revolution: How Large-Scale, Clinical-Grade AI Enables Novel CDXs from Histopathology	Dr. Thomas Fuchs, Paige, USA
14:30	From Glass to Silicon: Modernizing Pathology	Dr. Juan Retamero, Paige, Spain
15:00	New, enabling and practical advances in histopathology: slide-free direct-to-digital, and beyond...	Dr. Richard Levenson, UCD, USA
15:30	Q&A/Panel Session	Chaired by Peter Hamilton
16:00	Afternoon Coffee Break	
16:15	Combined Spatial Transcriptomics – Pathomics Analysis: An Emerging Treasure Trove for Both Discovery and Diagnostic Pathology	Dr. Ulysses Balis, University of Michigan, USA
16:45	Artificial Intelligence in Medical Imaging: Lessons Learned in Radiology	Dr. Katherine Andriole, Harvard Medical School, USA
17:15	Apocalypse Now: Perils of Adoption of AI and Digital Pathology	Dr. Eric Glassy, Providence Little Company, California, USA
17:45	Q&A/Panel Session	Chaired by Maurice Laughrey
18:15	Conference close	Dr. Hugh Cormican, Cirdan

Please note: The agenda is current as of August 2021 and subject to change.
